**NOTICE TO CLASS MEMBERS OF CLASS ACTION AND OF
PROPOSED SETTLEMENT
IMPORTANT NOTICE ABOUT YOUR RETIREMENT BENEFITS
FROM THE SUPERIOR COURT FOR THE STATE OF CALIFORNIA
COUNTY OF SAN DIEGO**

I.

INTRODUCTION

1
2
3 Please read this Notice carefully if you either currently receive, or will be entitled to receive
4 in the future, retirement benefits from the San Diego City Employees' Retirement System
5 ("SDCERS") as a result of employment with the San Diego Unified Port District ("PORT
6 DISTRICT"), or are otherwise a member of the "PLAINTIFF CLASS" as described below. A copy
7 of this Notice is being mailed by the PORT DISTRICT to the current home address in the PORT
8 DISTRICT's records for each active employee and by SDCERS to the current home mailing address
9 for each retired member of SDCERS receiving benefits as a result of employment with the PORT
10 DISTRICT. A copy of this Notice will also be posted on The PORT DISTRICT'S Intranet web site
11 (accessible to employees only): <http://internal>.

12 The named parties and their counsel of record have reached a proposed Settlement of this
13 case. This Notice describes the terms of the proposed Settlement. To become effective, the
14 proposed Settlement must be approved by the Court. To determine whether the Court should
15 approve the proposed Settlement, there will be a hearing on November 9, 2001, at 11:30 a.m. before
16 the Honorable Robert E. May in Department 63 of the Superior Court for the State of California,
17 County of San Diego, located at 330 West Broadway, San Diego, California 92101. The hearing will
18 continue through the lunch hour, and thereafter until it is completed. You may attend.

19 If you are a member of the "PLAINTIFF CLASS" and wish to object to the proposed
20 Settlement, you have an opportunity to do so by following the procedures set out in Section V of this
21 Notice. You may attend the November 9 hearing in any event, whether you object to the proposed
22 Settlement or not.

23 If the Settlement is approved by the Court, and if you are a member of the "PLAINTIFF
24 CLASS," the Settlement will be binding on you whether or not you have objected to the Settlement.
25 If the Settlement is approved, the "PLAINTIFF CLASS" will receive certain increased retirement
26 benefits or disability retirement benefits, and each member is giving up his/her right to trial and
27 giving up all claims which could have been brought or pursued in this lawsuit. Those claims include,

28 ///

1 but are not limited to: the calculation of retirement benefits or disability retirement benefits based
2 on which elements of a PORT DISTRICT employee's compensation or remuneration should be
3 included in the calculation; whether those elements to be included in that calculation for a PORT
4 DISTRICT employee may differ from the elements to be included for the calculation for an
5 employee of any other employer, including the City of San Diego (the CITY); and the definition of
6 Compensation, base compensation, Compensation Earnable or Final Compensation under the
7 Municipal Code and under agreements between the PORT DISTRICT and the CITY for purposes
8 of calculating retirement or disability retirement benefits payable as a result of employment with the
9 PORT DISTRICT.

10 THE PLAINTIFF CLASS CONSISTS OF ALL PERSONS WHO MAY CLAIM ANY
11 RIGHT, WHETHER OR NOT CURRENTLY VESTED, TO RECEIVE RETIREMENT BENEFITS
12 FROM THE SAN DIEGO CITY EMPLOYEES RETIREMENT SYSTEM ("SDCERS") AS A
13 RESULT OF EMPLOYMENT BY THE PORT DISTRICT, INCLUDING BUT NOT LIMITED TO
14 ALL SUCH CURRENT EMPLOYEES OF THE PORT DISTRICT (INCLUDING THOSE WHO
15 HAVE ELECTED TO PARTICIPATE IN THE DEFERRED RETIREMENT OPTION PLAN
16 ("DROP")), FORMER EMPLOYEES OF THE PORT DISTRICT WHOSE RETIREMENT
17 BENEFITS MAY BE DEFERRED, RETIRED FORMER EMPLOYEES OF THE PORT
18 DISTRICT CURRENTLY RECEIVING RETIREMENT BENEFITS FROM SDCERS, ALL
19 CURRENT MEMBERS OF SDCERS AS A RESULT OF EMPLOYMENT BY THE PORT
20 DISTRICT, AND PERSONS WHO MAY CLAIM RETIREMENT BENEFITS FROM SDCERS
21 AS A RESULT OF SOME OTHER PERSON'S CURRENT OR PAST EMPLOYMENT BY THE
22 PORT DISTRICT, SUCH AS AS A BENEFICIARY, SURVIVOR, SUCCESSOR IN INTEREST,
23 OR AS A PAYEE UNDER A DOMESTIC RELATIONS ORDER ("DRO") RELATING TO THE
24 RETIREMENT BENEFITS OF ANOTHER PERSON WHO IS OR WAS A CURRENT OR
25 FORMER EMPLOYEE OF THE PORT DISTRICT. THE LAWSUIT CONCERNS THE
26 CALCULATION OF RETIREMENT BENEFITS PAID BY SDCERS TO ALL MEMBERS OF
27 THE CLASS AS A RESULT OF ANY EMPLOYMENT WITH THE PORT DISTRICT, AND THE
28 CONTRIBUTIONS REQUIRED TO BE PAID TO RECEIVE THOSE BENEFITS.

1
2 II.

3 **PROCEDURAL HISTORY AND NATURE OF THE CLAIMS**

4 Plaintiffs KENNETH LEE ANDRECHT and LORETTA DWYER MANGAN filed this
5 action on April 7, 2000. They and the other plaintiffs filed a First Amended Complaint on July 7,
6 2000. In addition to the named individual plaintiffs, one union has intervened: the California
7 Teamsters Public, Professional and Medical Employees Union Local 911 (the TEAMSTERS).

8 The First Amended Complaint names as defendants the PORT DISTRICT, SDCERS and the
9 City of San Diego (the CITY). Generally, plaintiffs contend that retirement benefits paid by
10 SDCERS as a result of employment by the PORT DISTRICT had not been properly calculated in
11 light of the California Supreme Court's August 1997 decision in Ventura County Deputy Sheriff's
12 Association v. Board of Retirement of Ventura County Employees' Retirement Association and in
13 light of applicable provisions of the San Diego Municipal Code and contracts between the PORT
14 DISTRICT and the CITY.

15 In Ventura, the California Supreme Court ruled that the Retirement Board in that case was
16 required to classify certain payments made by the County of Ventura to its employees over and above
17 their basic salaries as "compensation earnable" and to include those payments in "final
18 compensation" used to calculate the amount of monthly pension benefits payable to the retired
19 employees under the County Employees' Retirement Law of 1937 ("CERL"), Government Code
20 Section 31450, *et seq.* Plaintiffs in this case allege that the same rationale should be applied to
21 certain payments made by the PORT DISTRICT. Plaintiffs further allege that statutes and contracts
22 between the CITY and the PORT DISTRICT require that retirement benefits payable to PORT
23 DISTRICT employees must be identical to those provided by the CITY to its employees.

24 On September 5, 2000 Defendants SDCERS, the PORT DISTRICT and the CITY filed
25 Answers and the PORT DISTRICT filed a Cross-Complaint alleging, generally, that retirement
26 benefits have been properly calculated and paid under applicable law and according to agreements
27 and long-standing practices and, in the alternative, that, if retirement benefits must be increased to
28

1 certain payees, the Court must also determine the allocation among the parties of the costs of those
2 increased benefits.

3 Counsel for all parties have agreed, and the Court ordered in June 2001, that this case be
4 certified as a no opt out class action, for the reason that the rules for calculating retirement benefits
5 must be the same for all persons to the extent they are claiming benefits as a result of employment
6 with the PORT DISTRICT, whether they were actively involved in this case or not. The Court has
7 ordered that all members of the PLAINTIFF CLASS be notified of the existence of this case, that
8 it could affect their rights, and of the proposed Settlement. This Notice has been prepared and/or
9 approved by counsel for all parties and has been approved by the Court.

10 All of the parties and counsel in this case participated in a mediation with Howard B. Wiener,
11 a retired Justice of the Court of Appeal of the State of California. As a result of the mediation, the
12 parties and counsel were able to reach an agreement to settle the case. Each of the parties and
13 counsel recognized that the litigation presented risks, and that the case could result in an outcome
14 more favorable or less favorable to any party.

15 III.

16 DESCRIPTION OF THE PROPOSED SETTLEMENT

17 A. **Proposed Settlement for All Class Members (or Their Beneficiaries) who are**
18 **Vested Retired Members of SDCERS as a Result of Employment with the PORT**
19 **DISTRICT or Retired From Employment by the PORT DISTRICT of San Diego**
on or Before January 1, 2002.

20 If you are receiving retirement benefits, or disability retirement benefits, from SDCERS as
21 a result of active employment with the PORT DISTRICT that terminated on or before January 1,
22 2002, (including former DROP participants who have ceased active employment prior to January 1,
23 2002), or if you are a vested deferred member of SDCERS as a result of employment with the PORT
24 DISTRICT, your retirement benefit payment (with the exception of the Supplemental COLA
25 adjustment and the Annual Supplemental Benefit (the "13th check")) will increase by a simple seven
26 per cent (7%), prospectively, effective January 1, 2002.

27 In addition, this seven per cent (7%) increase will apply to all such retirement benefit
28 payments you (or your DROP account) have received since July 1, 1995. You will receive the

1 retroactive payment in a single lump sum payment within forty-five days after satisfaction of the
2 condition subsequent to the Settlement. (It is anticipated that the condition will be satisfied by the
3 end of 2001, and that the retroactive payment will be made on January 31, 2002.) If you have chosen
4 to leave the balance of your DROP account retained by SDCERS, you may elect to have your
5 retroactive payment deposited in that account.

6 The retroactive payments pursuant to this proposed Settlement will be paid with respect to
7 estates of retired members only in the event there is a designated beneficiary eligible for a
8 continuance (hereinafter "Beneficiary") to the retirement benefit and, in that event, will be paid only
9 to the designated Beneficiary. As a hypothetical example, if a member who was retired prior to
10 July 1, 1995 died on June 30, 1997 and designated a Beneficiary, the retroactive payment paid to the
11 Beneficiary will be seven percent (7%) of the full retirement benefit for the two-year period from
12 July 1, 1995 through June 30, 1997 and seven percent (7%) of the Beneficiary's benefit for the
13 remaining three years of the retroactive period. (In both instances, the retirement benefit excludes
14 any Supplemental COLA adjustment and the Annual Supplemental Benefit (the "13th check").

15 The seven percent (7%) increase in retirement benefits paid to retired members of the
16 PLAINTIFF CLASS is less than the ten percent (10%) increase that active employees may elect to
17 receive (as described below), because retired employees did not make contributions to SDCERS
18 during the period of their employment for these increased benefits, while active employees will make
19 contributions for their increased benefits in the future.

20 **B. Proposed Settlement for All Active Employee "Safety Members" as Defined by**
21 **the San Diego Municipal Code.**

22 If you are employed by the PORT DISTRICT at any time on or after July 1, 2000, and are
23 classified as a Safety Member, you will be allowed, as a vested benefit, to make an election at the
24 time of your retirement between the following two choices for the calculation of your retirement
25 benefit (with the exception of the Supplemental COLA adjustment and the Annual Supplemental
26 Benefit (the "13th check")):

27 ///

28 ///

1 1. Your Retirement Calculation Factor will be increased from the factor which would
2 otherwise have taken effect on January 1, 2002 to a new factor as shown below:

3 Retirement Age:	Current 1/1/02 Factor	Settlement Factor
4 50	2.5%	3.0%
5 51	2.54%	3.0%
6 52	2.58%	3.0%
7 53	2.62%	3.0%
8 54	2.66%	3.0%
9 55+	2.70%	3.0%

10 2. Or, your retirement benefit will be calculated on the basis of the "Current 1/1/02
11 Factor" shown above, but your retirement benefit (with the exclusion of the
12 Supplemental COLA adjustment and the annual Supplemental Benefit (the "13th
13 check")) will be increased by ten percent (10%), by increasing your final
14 compensation (that is, your highest one-year compensation subject to retirement
15 contributions) by ten per cent (10%).

16 Starting on January 1, 2002, your employee contribution to SDCERS will increase by an
17 amount to be determined by SDCERS' actuary as the employee normal contribution to fund the
18 payment of additional retirement benefits. The amount of that increase is currently estimated to be
19 300 basis points. However, the PORT DISTRICT will increase the retirement offset it pays on your
20 behalf by 80 basis points for the five year period ending December 31, 2006.

21
22 **C. Proposed Settlement for All Active Employee "General Members" as Defined in**
23 **the San Diego Municipal Code.**

24 If you are employed by the PORT DISTRICT at any time on or after January 1, 2002, and are
25 classified as a General Member of SDCERS, you will be allowed, as a vested benefit, to make an
26 election at the time of your retirement between the following two choices for the calculation of your
27 retirement benefit (with the exception of the Supplemental COLA adjustment and the Annual
28 Supplemental Benefit (the "13th check")):

- 1 1. Your Retirement Calculation Factor will be increased from the current factor to the
2 new factor shown below:

3 Retirement Age:	Current Factor	Settlement Factor
4 55 - 58	2.0%	2.25%
5 59	2.08%	2.25%
6 60	2.16%	2.30%
7 61	2.24%	2.35%
8 62	2.31%	2.40%
9 63	2.39%	2.45%
10 64	2.47%	2.50%
11 65+	2.55%	2.55%

- 12 2. Or, your retirement benefit will be calculated on the basis of the Current Factor
13 shown above, but your retirement benefit (with the exclusion of the Supplemental
14 COLA adjustment and the annual Supplemental Benefit (the "13th check")) will be
15 increased by ten percent (10%), by increasing your final compensation (that is, your
16 highest one-year compensation subject to retirement contributions) by ten per cent
17 (10%).

18 Starting on January 1, 2002, your employee contribution to SDCERS will increase by an
19 amount to be determined by SDCERS' actuary as the employee normal contribution to fund the
20 payment of additional retirement benefits. The amount of that increase is currently estimated to be
21 86 basis points.

22
23 **D. Proposed Settlement for All Currently Employed DROP Participants.**

24 If you have elected, or elect prior to January 1, 2002 to participate in the PORT DISTRICT's
25 Deferred Retirement Option Program ("DROP"), and are still actively employed by The PORT
26 DISTRICT as of January 1, 2002, any retirement benefit payments payable into your DROP account
27 prior to January 1, 2002 (with the exception of any Supplemental COLA adjustment and the Annual
28 Supplemental Benefit (the "13th check")) will be increased by seven per cent (7%) (the "Retroactive

1 Payment"), and all such retirement benefit payments to be made on or after January 1, 2002 into
2 your DROP account or otherwise, will be increased by ten per cent (10%) (the "Prospective
3 Payment"). Your Retroactive Payment will be paid forty-five days after satisfaction of all
4 contingencies to the Settlement. (It is anticipated that all contingencies will be satisfied by the end
5 of 2001, and that the retroactive payment will be made on January 31, 2002.)
6

7 **E. Future Calculation of Compensation Subject to Retirement Contributions.** The terms
8 compensation and compensation earnable are no longer relevant to the calculation of retirement or
9 disability retirement benefits related to employment with the PORT DISTRICT. Retirement benefits
10 will be based upon compensation subject to retirement contribution. Compensation subject to
11 retirement contribution will be those same elements of compensation or remuneration which the
12 PORT DISTRICT reported to SDCERS as Compensation Earnable prior to the Settlement (that is,
13 base pay), plus the following premium pay items and differentials, some of which the PORT
14 DISTRICT did not previously include, which will be added as a vested benefit:

15 Educational incentive pay, including advance or intermediate post day

16 Bilingual pay

17 Narcotics task force officer pay

18 Dive team pay

19 Field Officer training pay

20 Canine pay

1 **F. Future Benefits.**

2 Any new or additional premium pay items or differentials will be included in Compensation
3 which the PORT DISTRICT agrees to pay in the future, but which are not listed in the previous
4 section will be subject to retirement contributions unless expressly excluded in the MOU or salary
5 ordinance establishing the additional item.

6 Retirement and disability retirement benefits payable as a result of employment with the
7 PORT DISTRICT shall be made without reference to benefits payable by any other employer or
8 entity, including the CITY. Nothing in this Settlement shall be deemed to grant to any party any
9 approval rights over any other actions of the PORT DISTRICT or SDCERS. All parties
10 acknowledge that nothing in this Settlement shall affect in any way the power of the PORT
11 DISTRICT to make any future changes in its retirement plan (except to the extent that this
12 Settlement creates vested benefits) or to the negotiating right of any labor organizations negotiating
13 with the PORT DISTRICT.

14
15 **G. Payment of Attorneys' Fees.** SDCERS and the PORT DISTRICT have agreed with counsel
16 for Plaintiffs and the Intervenors to pay them a total amount of six hundred thousand dollars
17 (\$600,000) in satisfaction of all their claims for attorneys' fees and costs incurred and to be incurred
18 with respect to this case. The payment will be paid half by SDCERS and half by the PORT
19 DISTRICT at the same time as the Retroactive Payment is made to retirees and to DROP participants
20 under this Settlement.

21
22 **IV.**

23 **TIMING, PROCEDURES, CONDITION AND EFFECTIVE DATE**

24 This Notice contains the terms of the proposed Settlement. Once approved by the Court, this
25 Notice becomes the Settlement and this Notice becomes the formal and complete Settlement
26 Agreement.

27 ///

28 ///

1 A condition of the Settlement is approval of the benefit changes provided herein is required
2 by the SDCERS membership as required by the San Diego Municipal Code. This approval process
3 will take place after approval by the Court.

4 Payments may not be made under this Settlement until after satisfaction of the condition
5 subsequent, or January 1, 2002, whichever occurs first. If satisfaction of the condition subsequent
6 is delayed until after January 1, 2002, the Effective Date will remain unchanged. In that event,
7 payments required under the Settlement will accrue as of that date and be paid after the condition
8 subsequent is satisfied.

9 If the condition subsequent is not satisfied, the Settlement is void and the litigation will
10 resume.

11 V.

12 **THE SETTLEMENT HEARING AND OPTIONS OF CLASS MEMBERS**

13 Because of the nature of this lawsuit, you will not have an opportunity to be excluded from
14 the Settlement of this case if it is approved by the Court. That means that, if and when the
15 Settlement is approved by the Court, you will be bound by it. However, if you wish, you may object
16 to the terms of the Settlement and argue to the Court that it should not be implemented.

17 If you object to the terms of the Settlement, you may appear in person or through any
18 attorney of your choice and be heard in opposition. You may object on the grounds of the fairness,
19 reasonableness, and adequacy of the Settlement. To object, you must, no later than November 2,
20 2001 deliver to counsel for your SUB-CLASS at the address set out below documentary proof that
21 you are a member of the Settlement class and a written statement of the basis of your objection. Mr.
22 Conger will provide to the Court and all other counsel an index and copies of any objections, by
23 November 7, 2001.
