CalSTRS has sent each of these individuals letters in February 2013, stating they have a right to appeal within 90 days of the date of your letter in accordance with California Code of Regulations Title 5, § 20520.

Based on the issues involved, we believe these appeals can be processed in one hearing, rather than separate hearings. We also request that this appeal be consolidated with the following appeals from three other similarly-situated clients:
